That rejection, insofar as it might be applied to the claims as amended herein, are respectfully traversed.

As amended herein, 1, 13 and 25 have been amended to incorporate the feature previously set forth within claims 7 and 19, which were objected to by the Examiner and, presumably, indicated as allowable if rewritten in independent form including all features of the base claim and any independent claims. By the amendment to claims 1, 13, and by extension claim 25, Applicant urges that the claims now contain allowable subject matter and withdrawal of the Examiner's rejection of claims 1-6, 8-18 and 20-25 are in condition for allowance. Withdrawal of all rejections and passage of this application at issue is therefore respectfully requested.
